

Message from the Prelate (May 10, 2018)

We have begun the month of May, which is especially dedicated to our Lady, with joy and gratitude to God for the ordination of 31 new priests of the Prelature, on May 5th.

Let us go to our Lady, Mother of priests, to pray for all the world's priests. Let us ask that they receive and preserve the gift of the priesthood with grateful love, as faithful servants of God and of souls.

Mary is also the Mother of all believers. On the 21st of this month we will celebrate for the first time the liturgical feast of Mary, Mother of the Church, instituted by Pope Francis' decision. With ever renewed trust, let us have recourse to Mary's motherly mediation.
